Invitation Letter

Dear colleagues,

We hereby would like to invite the researchers from Gubkin University (Russia), namely, Prof. Vladimir Vinokurov, Dr. Andrei Novikov, and Dr. Dmitry Kopitsyn, to participate in the joint seminar in the University of Alicante which will be held September, 28th.

The seminar will include a visit to the University of Alicante laboratories, with special relevance of the laboratory of the Vision & Color research group, and an evaluation of possible joint collaborations.

Yours sincerely,

Prof. Dr. Francisco Miguel Martínez Verdú
